

We at Talbot, Korvola and Warwick, LLP (TKW) are looking for our next Audit Associate to join the assurance team.

We are a boutique public accounting firm located in beautiful Lake Oswego, Oregon. We have been providing peace of mind to our clients since 1987, specializing in tax and assurance services, including tax return preparation, audits and attest work for corporations, individuals and other entities.

As an Audit Associate, you'll work closely with the client to learn their needs, expectations, business, industry, accounting and control systems, and get to know their employees, company values and industry-related GAAP and GAAS issues. You will perform audits, review procedures and share your findings with TKW team members under the mentorship of our Audit Senior Associates. You'll also attend training to understand our approach, experience the tools and resources available to you, and learn the latest developments in accounting, to better serve our clients and your career.

You:

- ✓ Want to work with people who care about their co-workers and clients and strive to achieve a work-life balance within the rigors of our seasonal business cycle;
- ✓ Are a fast learner and self-starter who pays attention to detail, manages people and projects well, and asks for help when needed;
- ✓ Are willing to mentor others during client engagements and enjoy giving back to the community when the opportunity presents itself; and
- ✓ Acknowledge that hard work and long hours are a known facet of a public accounting career but believe that solving problems and giving strategic business recommendations makes it all worth it.

You also have:

- ✓ An active CPA license or progress towards obtaining a license; and
- ✓ Demonstrated initiative, communication skills, problem-solving skills, and a strong team ethic.

We offer all the benefits you expect, including the opportunity to work with well-respected clients, a competitive salary, health and retirement benefits, generous time off, professional training, free parking, minimal travel and Baja Fresh Wednesdays when the workload ramps up.

If we should talk, please send us a cover letter and your resume by applying to achievemore@tkw.com and we'll be in touch.
